

Suspense Behind the Enzo Ferrari Award Pebble Beach Concours d'Elegance By Joseph Brilando

For the last 19 years, The Candy Store in Burlingame has sponsored a trophy for an outstanding Ferrari at The Pebble Beach Concours d'Elegance.

The club's connection to the Pebble Beach event extends back to members Jules Heumann and Loren Tryon who chaired the event from the 1970s until Sandra Button graduated into leadership of the event.

This year waiting in the judges' tent to award the Enzo Ferrari trophy to the winner, I was held in unusual suspense.

We designate the trophy to be the Ferrari that Enzo would have selected.

There were two familiar Testa Rossas next to each other on the field.

250 Testa Rossa S/N 0754 TR, was David Love's pride and joy for nearly 50 years.

He raced it at Laguna Seca and Sears Point for decades, and I had spent over 100 hours helping assemble his documentation, photos, and personal memories into a presentation for him and Candy Store members to enjoy.

I presented a copy in slide-book format to Tom Price, the current owner, and he brought it to the Concours.

S/N 0754 TR

The other was 250 Testa Rossa S/N 0756 TR, the next TR produced, and the pride of Lou and Lois Sellyei.

Lou raced this car for many years in California, and it was seen at the California Mille Miglia and other local driving events.

I remember being on one of the California Milles when during the night around Mendocino, somebody taped cookies on the car.

Lou Sellyei just drove it away as if nothing was unusual. Such was the spirit back in those days.

Today the car is pristine and owned by Chris Cox.

S/N 0756 TR

In preparing to present the Enzo Trophy I was told the winner was "the Testa Rossa" before it was in sight. Was it 0754 or 0756??

Pebble Beach winner of the Enzo Ferrari Trophy S/N 0756 TR

After all the anticipation waiting to see who the winner would be, Chris Cox drove up to receive the Enzo trophy ending the suspense.

Monterey Auctions Selected V6 - VS and Competition cars By Rick Carey

DINO 206 GT, S/N 00106 (1968). Yellow with black leather, dark blue cloth inserts. Estimate \$2 million to \$3 million. Recent restoration, 2 condition. Hammered sold at \$2.8 million plus commission of 10 percent = final price of \$3.08 million. 5-spoke alloy wheels, Goodyear Blue Streak tires. Pininfarina's second pre-production prototype, 1966 Torino Motor Show display car, with longitudinal engine mounting. Restored by Mike Sheehan in the early 1990s. Excellent paint, chrome and interior. The engine compartment and chassis are nearly like new except for a little storage dust. Stored for a quarter century, recently serviced to run and drive but needing more work before hitting the road. Historically significant and different in many ways from production 206 and 246 GTs that followed including the longitudinal engine, longer tail and the long chrome spear down the side recess for the rear air intakes. It is an unusual opportunity to acquire a seminal and distinctive Ferrari. Lot # 124. Gooding & Co.

DINO 206 GT, S/N 00160 (1968). Rosso Dino with black vinyl. Estimate \$550,000 to \$750,000. Cosmetic restoration, 2- condition. Hammered sold at \$520,000 plus commission of 10.96 percent = final price of \$577,000. Cromodora alloy wheels, Michelin XWX tires. Looks nearly like new. Excellent paint, chrome, interior and glass. Excellent door fits. Known history from new and apparently never restored, just given attention as needed when required including engine and transmission overhaul in 1987 (at 70,000 km compared with 82,155 on the odometer today) and fresh cosmetics and mechanical freshening in 2008. The engine compartment is lightly oiled, as it should be. A very attractive, sympathetically owned and rare Dino. Sold by Gooding & Company at Scottsdale in 2010 for

\$220,000 in perhaps slightly better condition than it is today but with no further restoration or refurbishment since then. The pre-sale estimate range is unusually broad and it would not have been a surprise to see this exceptionally well-maintained 206 GT bring another \$100K on the hammer making this a very good buy for the new owner. Lot # 218. RM Sotheby's.

DINO 246 GT, S/N 03496 (1972). Blu Scuro Dino with tobacco leather with black inserts. Estimate \$350,000 to \$275,000. Older restoration, 2- condition. Hammered sold at \$335,000 plus commission of 11.49 percent = final price of \$373,500. Cromodora wheels, Daytona seats, Blaupunkt cassette stereo, power windows, air conditioning. Restored in the mid-2000s with good older paint and chrome. Maintained and tidy but not spotless engine bay. Lightly wrinkled seats. A good car in attractive colors and there's nothing major wrong with it, it's just not super fresh. Sold by Gooding at Amelia in 2012 for \$214,500 and changing hands here for a generous price aided in no small degree by its unusual and highly attractive colors as well as the confidence instilled by a decade and a half old restoration that is holding up very well. Lot # 007. Bonhams.

DINO 246 GT, S/N 03872 (1972). Nocciola Metallizzato with tobacco leather. Estimate \$500,000 to \$400,000. Recent restoration, 2+ condition. Hammered sold at \$370,000 plus commission of 10 percent = final price of \$407,000. Ansa exhaust, Becker stereo, leather-wrapped steering wheel. Fantastic paint. The brightwork is very good with a few light scratches on the side window trim. The engine bay is very clean and the interior appears freshly redone. A thorough restoration finished in 2014 and shows very well. It apparently showed even better at the Gooding Scottsdale auction seven months ago when it was reported sold for \$462,000. Either result is an appropriate price for a quality Dino coupe but it was an expensive seven months and 71 more miles on the odometer. Lot # 029. Gooding & Co.

DINO 246 GTS, S/N 08070 (1974). Viola Metallizzato with black leather. Estimate \$450,000 to \$550,000. Recent restoration, 2- condition. Hammered sold at \$425,000 plus commission of 10 percent = final price of \$467,500. Borletti air conditioning, power windows, Cromodora alloy wheels, Toyo tires. Good new paint purported to be the original color (one of 31 delivered in Viola) and attractive new lightly stretched upholstery and mousehair style dash top. Engine and chassis are freshly done to like new standards. Sold by Gooding at Amelia in 2014 for \$341,000 before the restoration. The price it brought here reflects its quality restoration and the unusual color, at least for those who like violet. No matter what your opinion of the color is, though, it will be impossible to miss even among rows of Dinosaurs, mostly in red/tan. Lot # S056. Mecum Auctions.

DINO 246 GTS, S/N 08512 (1974). Pino Verde Metallizzato with beige, black leather. Estimate \$600,000 to \$500,000. Unrestored original, 2- condition. Hammered sold at \$480,000 plus commission of 10 percent = final price of \$528,000. Chairs and flares, Campagnolo wheels, leather-wrapped steering wheel. Comes with the original tool roll, seat covers, manuals in their original folio, parts catalog, service directory, warranty and service books. Good original paint with a few stone chips to the nose and some chips behind the rear wheels. The brightwork is very good and without significant fading. The underbody is well detailed and

Correction

In Volume 43 Issue 18 the *FML* reviewed the Ferraris on display at The Pebble Beach Concours d'Elegance. We erroneously indicated 250 GT SWB Spyder California S/N 3293 GT had been restored by Ferrari Classiche.

The California was actually restored by Classic Coach Repair, Inc., in Elizabeth, NJ. The restoration on this beautiful Ferrari was recently completed and experienced its debut at Pebble Beach.

Well done!

shows little oxidation at all. The seats have some light creasing from use and the dash pad has what seems to be some water staining near the bottom of the windshield. Surprisingly well maintained car and almost too good to be original, but Ferrari owners have a tendency to pamper their cars. Based on the condition, the 27,487 miles on the odometer are most likely all this Dino has covered in the past 44 years. It brought a heroic price for its condition, but the allure of never-apart and all original is strong and is reinforced by the unusually comprehensive documentation. It is expensive, but it deserves to be. Lot # 155. Gooding & Co.

308 GTB VETRORESINA, S/N 19579 (1976). Fly yellow with tan leather, black stripes. Estimate \$180,000 to \$220,000. Not viewed. Hammered sold at \$165,000 plus commission of 12 percent = final price of \$184,800. Classiche certified. Lot # 120. RM Sotheby's.

308 GTS, S/N 25693 (1978). Red with tan interior. Not viewed. Hammered sold at \$46,000 plus commission of 10 percent = final price of \$50,600. Lot # T122. Mecum Auctions.

308 GTS, S/N 23657 (1978). Rosso Chiaro with black interior. Estimate \$50,000 to \$60,000. Not viewed. Hammered sold at \$45,000 plus commission of 10 percent = final price of \$49,500. Lot # F035. Mecum Auctions.

288 GTO, VIN ZFFPA16B000055237 (1984). Red with black leather, red cloth inserts. Estimate \$2.75 million to \$3.25 million. Unrestored original, 2- condition. Not sold at hammer bid of \$2.55 million. Alpine cassette, power windows, Toyo tires, shields, 5-spoke modular alloy wheels, Ansa exhaust. 13,579 km and nearly like new. Sold for \$2.75 million by RM at Arizona in 2015 and \$2.58 million at Amelia in 2016. The reported hammer bid would have been \$2.8 million all-in, an entirely reasonable number. Lot # 239. RM Sotheby's.

328 GTS, VIN ZFFXA20A1G0060347 (1986). Rosso Corsa with beige. Estimate \$65,000 to \$85,000. Not viewed. Hammered sold at \$55,000 plus commission of 10 percent = final price of \$60,500. Reported sold here in 2014 for \$52,800. Lot # F188. Mecum Auctions.

328 GTS, VIN ZFFXA20A4K0082125 (1989). Nero Metallizzato with crema leather. Estimate \$250,000 to \$200,000. Unrestored original, 2- condition. Hammered sold at \$167,500 plus commission of 10 percent = final price of \$184,250. Blaupunkt CD stereo, books, tools, jack, Classiche certified. Excellent original paint. The underbody is clean and shows minimal fading from sitting. The interior is very clean and only shows minimal creasing to the driver's seat. Well maintained, with just 1,925 miles and with few indications of use. Wow! Talk about an originality premium, this is it! The result here is 50% more than an otherwise perfect 328 GTS. The new owner may be able to drive it, oh so carefully, another thousand miles without seriously denting the originality premium, but a scratch or a stone chip will be a calamity and this Ferrari is likely to spend the rest of eternity in a climate controlled garage. Lot # 042. Gooding & Co.

F40, VIN ZFFMN34A0L0087041 (1990). Red with red cloth. Estimate \$1.4 million to \$1.6 million. Unrestored original, 2 condition. Hammered sold at \$1.55 million plus commission of 10.32 percent = final price of \$1.71 million. U.S. spec, Classiche certified, tools, books, accessories and luggage. 1,690 miles. An F40 will do 0-60mph in 3.8 seconds, but to achieve it the

driver needs to know how to shift its manual 5-speed, not rely upon the artificial (but very effective) intelligence of a series of solenoids, computers and hydraulic cylinders to bang between gears. This example was sold by RM here in 2008 for \$735,500 and by Gooding & Company at Amelia in 2017 for \$1.48 million. Essentially flawless, it is also expensive, all original and like new. Lot # 226. RM Sotheby's.

F40, VIN ZFFGJ34B000088083 (1991). Red with red cloth. Estimate \$1 million to \$1.2 million. Visually maintained, largely original, 3+ condition. Hammered sold at \$954,545 plus commission of 10 percent = final price of \$1.05 million. Modular alloy wheels, P Zero tires, Classiche certified. Good clearcoat repaint with small masking oversights. Unblemished upholstery and belts. The engine compartment and chassis are aged and oxidized. Sound and well-maintained, represented with 16,501 km. The F40 is the last predominantly analog Ferrari supercar, placing a premium not on algorithms and sensors but on the driver's butt, hands and feet. It's gradually losing favor among nouveau riche who think active traction control, active braking and a bevy of self-managed aerodynamic tweaks are essential to going fast. In case they're listening, F40 is the way to demonstrate your Villeneuve/Schumacher/Nuvolari instincts and responses. Sold here in a post-block transaction, with relatively high kilometrage, this is a driver's challenge at a realistic price. Lot # 112. Gooding & Co.

F355 SPIDER, VIN ZFFXR48A9T0104873 (1996). Ruby red (Rosso Monza) with black leather. Estimate \$100,000 to \$125,000. Unrestored original, 3+ condition. Hammered sold at \$70,000 plus commission of 12 percent = final price of \$78,400. 6-speed, Alpine CD stereo, air conditioning, Pirelli P Zero tires. 8,627 miles. First owned by comedian Martin Lawrence who kept it for 20 years. Sound original paint with touched up door and hood edge chips and small nose stone chips. Good original interior with driver's seat bolster wear. Sold by Mecum at Los Angeles (Pomona) in February for \$73,810 and turned over here for a similar but modest price for its 6-speed gearbox, known low miles and overall very good original condition. Lot # 038. Bonhams.

F355 BERLINETTA, VIN ZFFXR41A7W0110928 (1998). Giallo Modena with black interior. Estimate \$50,000 to \$60,000. Not viewed. Hammered sold at \$50,000 plus commission of 10 percent = final price of \$55,000. Lot # F034. Mecum Auctions.

355 F1 BERLINETTA, VIN ZFFXR41A2W0111159 (1998). Yellow with black interior. Not viewed. Hammered sold at \$60,000 plus commission of 10 percent = final price of \$66,000. Lot # 641. Russo and Steele.

355 F1 GTS, VIN ZFFXR42A4X0113463 (1999). Yellow with black interior. Not viewed. Hammered sold

at \$52,000 plus commission of 10 percent = final price of \$57,200. Reported sold here last year for \$42,900. Lot # 412. Russo and Steele.

F355 SPIDER SERIE FIORANO, VIN ZFFXR48A0X0116531 (1999). Estimate \$125,000 to \$175,000. Not viewed. Hammered sold at \$85,000 plus commission of 12 percent = final price of \$95,200. Lot # 018. Bonhams.

360 SPIDER, VIN ZFFYT53A310123547 (2001). Yellow with black leather. Estimate \$100,000 to \$125,000. Unrestored original, 2- condition. Not sold at hammer bid of \$75,000. 6-speed, carbon fiber seats. The car has a clear bra but appears to have flaws underneath. Rock chips are under the bumper behind both rear wheels and there are paint chips under the bottom right of the rear grille. The top is in good condition. The interior is generally good with driver's side bolster wear and scratches to the driver's inside door handle. A presentable 360 made more desirable with the 6-speed, but it could be better given the 14,875 miles. It's not a standout from a condition point of view but it's yellow and it's a 6-speed. The reported high bid undervalues the 6-speed. Lot # S180. Mecum Auctions.

F430 SPIDER F1, VIN ZFFEW59A760151053 (2006). Rosso Corsa with beige interior. Estimate \$175,000 to \$200,000. Not viewed. Hammered sold at \$170,000 plus commission of 10 percent = final price of \$187,000. Reported a post-block sale at Mecum Indy in May for \$198,000. Lot # S127. Mecum Auctions.

430 SCUDERIA, VIN ZFFKW64A980162090 (2008). Red with black Alcantara, red stitching. Estimate \$200,000 to \$250,000. Unrestored original, 2 condition. Hammered sold at \$170,000 plus commission of 12 percent = final price of \$190,400. Shields, Pirelli P Zero tires, red calipers, carbon ceramic discs, trolley, carbon fiber door sills, fire extinguisher, iPod, window sticker documented. 2,898 miles and essentially like new. Low miles, generously optioned and maintained, this is a premier Ferrari that has consistent, documented service since new and is a good value at this price. It's not a 488, but 503 hp is nothing to trifle with. Lot # 011. Bonhams.

SCUDERIA SPIDER 16M, VIN ZFFK-W66A490166787 (2009). Black with black interior, Grigio Scuro stitching. Estimate \$300,000 to \$400,000. Unrestored original, 2 condition. Hammered sold at \$240,000 plus commission of 12 percent = final price of \$268,800. Shields, Pirelli P Zero Corsa tires, matte gray alloy wheels, black calipers, carbon discs, carbon exterior mirrors and interior trim, Bluetooth, red tach dial, car-

bon fiber seats. Very good original paint and unworn interior. The underbody is like new. Represented as under 10,000 miles. U.S. delivered. Offered at Mecum's Monterey auction last year where it brought an unsuccessful \$300,000 high bid, this is nothing less than a great value in a rare, specialized, high performance F430 variant with menacing eye-appeal. Lot # 034. Bonhams.

CALIFORNIA, VIN ZFF65LJA6A0169950 (2010). Nero Daytona metallic with tan interior. Estimate \$100,000 to \$110,000. Not viewed. Hammered sold at \$83,000 plus commission of 10 percent = final price of \$91,300. Lot # S205. Mecum Auctions.

458 SPECIALE, VIN ZFF75VFA3F0211863 (2015). Grigio Scuro Opaco (matte dark gray) with black Alcantara. Estimate \$375,000 to \$450,000. Unrestored original, 2 condition. Hammered sold at \$350,000 plus commission of 10 percent = final price of \$385,000. Gray calipers, carbon brake discs, carbon fiber seats, dark gray forged wheels, navigation, parking sensors and camera, telemetry, titanium exhaust pipes. Just over 100 miles and for all intents and purposes a new car. The retail price including \$117,063 of options was \$412,557 and it was enjoyed for less than 100 miles. Bizarre, but not uncommon in Monterey this year. Lot # 146. Gooding & Co.

CALIFORNIA T, VIN ZFF77XJA4H0227523 (2017). Rosso Corsa Metallizzato with tan Peccary leather. Estimate \$300,000 to \$350,000. Unrestored original, 2 condition. Hammered sold at \$310,000 plus commission of 11.61 percent = final price of \$346,000. Painted SF shields, black calipers, carbon brake discs, handling package, 70th Anniversary livery #20 "The Redhead". Good original paint and interior. Barely used, with delivery miles only. There are 12 California Ts in the most recent issue of *FML*. The most expensive asking price is \$249,995. None of them however is a 70th Anniversary and this seems a reasonable enough premium for the unique livery and negligible miles. Lot # 207. RM Sotheby's.

Competition Cars

166 MM TOURING BERLINETTA, S/N 0060 M (1950). Blue with black leather. Estimate \$6.5 million to \$7.5 million. Recent restoration, 2 condition. Not sold at hammer bid of \$5.5 million. RHD. Silver painted wire wheels, Dunlop Racing tires, Marchal head and fog lights. Raced by Cornacchia and Sarafini when new, then exported to Chinetti in New York after it was shown at the 1950 Paris Salon. Bought by Briggs Cunningham for whom it was upgraded to 195 S specs, then entered in Sebring driven by Chinetti and finishing 7th overall and first in class. Later raced at Buenos Aires finishing 7th driven by Jim Kimberly, Bridgehampton (Phil Walters 2nd) and Watkins Glen (John Fitch 2nd.) Later owned by Henry N. Manney III, with a long, active career following until it was restored in 2001, taking second in class at Pebble Beach. Excellent paint, interior and bright trim. Freshly done to better than showroom condition without going too far. Represented as the original engine, chassis, gearbox and rear axle. Sold by Gooding at Scottsdale in 2016 for \$6.49 million and seriously light of both the consignor's expectations and the car's history and condition at this bid. Lot # 145. Gooding & Co.

250 MM PININ FARINA BERLINETTA, S/N 0344 MM (1953). Dark blue with tan leather. Estimate

\$7.5 million to \$9 million. Competition restoration, 3+ condition. Not sold at hammer bid of \$7.4 million. RHD. Silver painted wire wheels, Avon tires, sliding side windows, Plexiglas hood air deflector, heater, Marchal headlights, painted SF shields. Raced when new by Mas-Olle Persson in Sweden, later by Gösta Forsberg and Charles Lohmander. Acquired by Pierre Bardion in 1972, later part of the infamous Consolidator Collection of Hans Thulin. Very good recent paint, chrome and interior. The underbody has been repainted assembled, and not recently. Eligible for just about anything a new owner could want, including the Mille Miglia, with ovoid Pinin Farina coachwork, eggcrate grille and air vents that give no doubt at all about its competition purpose. Even at that the reported high bid, just \$100K under the low estimate (1.3%), seems reasonable for its presentation and history. Lot # 151. RM Sotheby's.

500 MONDIAL SERIES II SCAGLIETTI SPYDER, S/N 0556 MD/0446 MD (1955). Engine # 446. Light blue with red. Estimate \$5.5 million to \$7.5 million. Competition restoration, 2 condition. Hammered

sold at \$4.55 million plus commission of 10 percent = final price of \$5 million. RHD. Marchal headlights and fog lights, silver painted Borrani wire wheels, Dunlop Racing tires, driver's head fairing, metal passenger's seat cover. Excellent paint and upholstery. Restored like new by its multi-generational owner. Bought by François Picard and obligingly stamped by Ferrari with the chassis number of Picard's 735 Sport, 0556 MD. Traded back to Ferrari, it raced for the Scuderia at the Venezuela GP in 1955 finishing 1st in class and 5th overall. Then sold to Porfirio Rubirosa with two class firsts at Nassau and one at Sebring in 1956. Later sold to Charles Hassan, then Robert Ready Davis who stored it in the Bay Area after the differential seized. It was purchased in 1960 by Robert Phillips, a U.S. Navy Supply Corps Lieutenant J.G. He has owned it ever since, compiling a series of racing appearances and at least one cross-country trip during Navy reassignments which culminated in his promotion to Rear Admiral and Paymaster of the Navy before retiring in 1988. Then began a comprehensive personal restoration that brought the Mondial 1st in class and the Enzo Ferrari Trophy at Pebble Beach in 2008. Documented with a (rare as hen's teeth) 2003 Ferrari Classiche Heritage Certificate and a voluminous history file. It is just a cool thing, with a marvelous history of 58 years' continuous custodianship. The research and documentation accompanying this 500 Mondial sets a new standard for "comprehensive". The transaction value? It is no more than the car's history and condition deserved. The new owner should be proud to carry on the tradition. Lot # 022. Gooding & Co.

1954 375 Plus
Sutton Spyder S/N 0478 AM

Originally raced in Scaglietti trim by legendary drivers, Jack McAfee, Ken Miles and Carroll Shelby, only to be unceremoniously crashed by Shelby at Palm Springs. Re-bodied in 1956 by Hollywood-based Jack Sutton, who earned the nickname, "America's Scaglietti," with 0478 sold to the privateer racing team of Frank Arciero. Fledgling driver, Dan Gurney, would go on to multiple victories in 0478. Considered one of the original eight 375 Plus with its massive 4.9 litre V12 engine, 0478 AM is a 1950s icon.

THE COBRA-FERRARI WARS 1963-1965, 2nd edition. Signed by the author. The original, award-winning story of the great GT cars of the 1960s. From the book (Charlie Agapiou): "Shelby was looking over my shoulder. He says, 'Whats the matter? Where's all that oil coming from?' I said, 'A slight leak Carroll, but it's all right.' 'Well, tell Jim,' he says. I said, 'There's nothing we can do: It's all right, Carroll.' 'Damn it, tell Jim.' But there was no point telling Jim because we didn't have any [diff] oil. So, when I told Jim, he panicked. He climbed in the car and pumped 30-weight oil into the diff and that was it, the race was over for that car." \$49.95 includes shipping in the U.S. 4320
